Welcome to the 30th Annual Chatham Artists Guild Studio Tour

Dec 3-4 & Dec 10-11 | Saturdays 10AM – 5PM | Sundays Noon - 5PM

Come celebrate with us! Our 2022 Annual Studio Tour will deliver for the 30TH year the opportunity to experience the very best in local contemporary and traditional artwork across multiple mediums—photography, pottery, stained glass, painting, and many more. Art lovers, from students to serious collectors, are invited to connect with artists and view the creative process in ways that are not possible at gallery exhibits, art museums, art fairs, and other art venues, online or off.

Each year, new talent joins long-established artists who have been carefully selected through a member-juried process to create a fresh and inviting Studio Tour. This year features 54 artists welcoming visitors to 39 studios, allowing visitors to tailor their experience and selections to suit their needs and interests. As always, the tour is free and self-guided. Explore at your leisure with the Studio Tour map/brochure to guide you.
